- Students will exit the cars on the driver side.
- Travel through the side parking lot and turn RIGHT onto Massena Street.
- As always, be cautious of surrounding walkers and vehicles.

Afternoon Carline Procedures

In order to properly distance our students for dismissal, it is necessary for our students to utilize **three separate carlines** for dismissal. The carlines are separated by grade levels. If you have more than one student to pick up, please stop at each appropriate carline. We thank you in advance for your patience with this process.

For the safety of our families, please adhere to the following carline procedure:

- Enter the north end of Galvez Street near the service road off of East Causeway Approach.
- Continue south on Galvez to Pecan Street.
- Turn right on Pecan Street.
- **Starting at 3:45 PM**, cars can turn right on Maple Street.
- We will continue to require the MES carline sign with your child's name printed largely. If you do not have a sign, please be prepared to pull to the side to have your ID checked.
- Continue down Maple Street:
 - **1st Grade**: Turn left into the back parking lot at the first driveway. Your student will be loaded from the cafeteria. After your student is loaded in the car, yield and merge by turning left to join the established carline.
 - **2nd and 3rd Grade**: Turn left into the side parking lot. Your student will be loaded from the gym doors. Continue straight through the parking lot and exit on Massena Street.
 - **Pre K and K**: Turn left into the side parking lot and proceed through the parking lot. Take a left under the overhang. Your student will be loaded out the doors under the overhang.
- Students will load the cars on the driver side. Once your student(s) have loaded, proceed to Massena Street and turn RIGHT to exit campus. As always, be cautious of surrounding walkers and vehicles.
